RE: American Made Compliance

To Whom It May Concern:

This letter is to certify that all products manufactured by A & J Meter Service, Inc. are produced in the United States. This includes meter sight scopes, inserts stiffeners (stainless steel and plastic), meter locks and hydrant locks.

I want to reiterate that all our products are 100% American made which puts us in compliance with the American Recovery and Reinvestment Act (ARRA) signed in February of 2009. If you have any further questions or need any other materials please don't hesitate to ask. You can contact us at (800)239-6122.

Thank you very much for your business, and we look forward to continuing to serve you in the future.

Sincerely,

James W. Curcio, Jr.
Vice President
